

Trim 15.5" w x 10.75" h

The diagram illustrates a page layout with three distinct rectangular regions. The outermost region is a light blue rectangle with a width of 15.75 inches and a height of 11 inches, labeled as the bleed area. Inside this is a cyan rectangle with a width of 15.5 inches and a height of 10.75 inches, labeled as the trim area. The innermost region is a white rectangle with a width of 15 inches and a height of 10.25 inches, labeled as the live area. Three horizontal double-headed arrows indicate the dimensions of each region: the top arrow for the trim area, the middle arrow for the live area, and the bottom arrow for the bleed area. The text for each dimension is centered above or below its respective arrow.
